GENERAL MANAGER'S UPDATE

RENEWAL INVOICES

Separate renewal Invoices for the 2022-23 Membership, Hardstand Storage and Pen Fees have been forwarded to Members over the past fortnight and are due for payment by 30 June 2022. Hardstand Storage and Pen Fees not paid by 30 June will attract a monthly late payment fee.

The Management Committee has a responsibility to both our current and future Members for the long term sustainability of the Club. The annual review of subscriptions and fees this year has included consideration of the ongoing effects of the Covid-19 pandemic, unprecedented upward CPI movement, the final stage of significant growth and improvement plans to our facilities and amenities, comparative facility market costs, land and seabed lease cost increases and, continuing to offer good value to the Members of the Club. Please contact me direct if you require further information on renewal fees.

Members experiencing financial difficulties are welcome to contact me to arrange a suitable payment plan.

STAGE 3 PENS DEVELOPMENT

This development which includes new pens, a new rock seawall, additional parking, landscaping and improvements to the wash down bays and the surface between the ramps and the wash down bays, will commence in the second half of 2022 with pen occupancy planned from 1 February 2023. Members on the pen waiting list are welcome to call me to discuss any aspect of the development.

Safe boating.
