GENERAL MANAGER'S UPDATE CONTINUES...

New Rear Balcony Railing

The old balcony railing outside the Commodore's Room has been replaced with powder coated aluminium railing and aluminium ducting installed to cover pvc drainage pipes. Upright posts have been painted by our Bosun Ross Dalwood who is also in the process of repainting the gutter and fascia. A huge thanks to Mark Wiese from **CV Powder Coaters** who have saved the Club considerable cost with this project and also a huge thank you to Member Ross Vaughan for lending the Club his scissor lift which was necessary for the painting.

New Web Page

We are currently developing a new exciting web page which will be easy to navigate and find information or forms and will include an enhanced web cam, weather information and a series of informative short videos. The new web page is scheduled to "go live" at the end of July. Updates to follow.

Membership Renewal Payments

Thank you to all Members who have paid their Membership renewal which was due on 30 June. The renewal rate has been well above our expectations which is very positive.

Probationary Members

Probationary Members are reminded that they are required to have their log book signed off within 12 months of joining the Club. VIP Log Cards can be signed off when you attend our monthly busy bees (next busy bee 13 August), attend our Annual General Meeting on 18th September or visit our bar which is open Saturday and Sunday afternoon from 2pm.

Hardstand Storage Bays Available

We currently have two hardstand bays available suitable for a single or double axle trailer. We normally have a waiting list for these bays so if you are interested, contact the office quickly before the bays are allocated.

Stage 3 Pen Development

This development which includes new pens, a new rock seawall, additional parking, landscaping and improvements to the wash down bays and the surface between the ramps and the wash down bays, will commence in the second half of 2022 with pen occupancy planned from 1 February 2023. Members on the pen waiting list are welcome to call me to discuss any aspect of the development.

Safe boating.
