GENERAL MANAGER'S UPDATE

Good Afternoon Members,

Snapper Guardians Fingerlings Release

This family event was strongly supported by the public and two additional releases were held at the Club ramps on Monday and Wednesday following the public event at the Dog Beach.

Cruising Group's Mandurah Long Weekender - 4th to 6th March

A huge thank you to Donna and Clint John who have volunteered to coordinate this year's event which includes a group booking at the Boundary Island Brewery on Sunday. We have nine boats travelling to MOFSC at Mandurah for a fun weekend.

Stage 3 Pens Development

We propose to commence the development in September this year subject to development approval from government agencies and approval from our Management Committee. If you are interested in a 12 metre pen, you can secure one of our new pens by contacting me now and add your name to our pen waiting list.

Club Raffle - \$8,000 in CASH PRIZES

The Club raffle is in full swing with healthy sales and lots of members chasing the cash prizes. Don't forget you can pick up additional books of tickets from the office. Each book comprising of five \$10 tickets is an excellent opportunity for members to win \$5,000, \$2000 or 1,000 in cash. The prizes will be drawn and streamed live from the Club on 12th April.

Seasonal Temporary Hardstand Storage Bays

Due to the strong demand from Members for temporary hardstand bays, we will be increasing the number of temporary hardstand bays behind the clubhouse after Easter during our traditional quiet winter months. Contact the office now on 9418 5868 to organize your winter accommodation now.

Busy Bee Date Changes

Please note the March busy bee date has changed to 18th March and the April date to 15th April. A great opportunity to socialize with other members and to support the Club. Probationary Members can also tick off their VIP card when they attend.

FUNCTIONS UPDATE

For those I have not yet had the pleasure of meeting yet, I'm Serena the new Functions Coordinator. The past two weeks have been busy for the functions department, with many enquiries coming through. We are close to finalizing all our new function packages for 2023, with the wonderful help of Lynda doing all the creative design. Many hours have gone into revamping our functions department and we can't wait to see it all in full swing.

Earlier this month we had Member Bob Kelly celebrate his 80th birthday with us, upstairs in the Garden Island Room. His party was a great success and saw Bob and all his guests having a wonderful night and enjoying their live music and time on the dance floor!

We have the BBQ Masterclass function booked in this weekend, then the team and I are enjoying some time off for the long weekend. **Please note that the Members Bar will be closed on the long weekend, 4th and 5th of March.**

Did you know? All members receive a 20% discount on all room hire fees. So why not book your next function right here with us!
