GENERAL MANAGER'S UPDATE

Good Afternoon Members

The Easter weekend has arrived and lots of excited fishers are preparing as demersal fishing reopens on the long weekend. Early indications are that the Club will be very busy with good boating conditions forecast.

Our office will be closed on 7th and 10th April.

The introduction of additional winter temporary hardstand storage during our quieter months from May to October is proving popular with a number of members already indicating they would like to take advantage of the special arrangement. These bays are available on a monthly prepaid basis and we are offering one month "free". Please contact the office on 9418 5868 for further details.

Please ensure you return your raffle tickets URGENTLY as the winners will be drawn on Wednesday 12th April.

We are currently preparing the Club Budget for 2023-24 and are very conscious of keeping membership subscription cost increases as low as possible following last year's increase due to high inflation and an increase in our lease cost.

Happy Easter and enjoy your boating.

John
