GENERAL MANAGER'S UPDATE

Good Afternoon Members,

The Club was not very busy over the Labor Day long weekend with the weather keeping a number of members off the water.

Our Cruising Group had an enjoyable weekend at Mandurah with SoPYC and RPYC who also had groups moored at MOFSC. I joined our group on Sunday afternoon for a pleasant cruise with many dolphin experiences and a nice lunch at the Boundary Island Brewery.

We have healthy waiting lists for hardstand boat storage and pens.

Please contact the office on 9418 5868 if you require winter hardstand storage.

I look forward to catching you at the Club.

Happy boating
John

Busy Bees

Our next Busy Bee is almost here! **March 18th**. The next one is **15th April**. *Please note that these dates have both changed!* Both are Saturday mornings @8.30am. This is a great opportunity to volunteer a couple of hours of your time to support the Club, and meet other Members. We really appreciate the help! Please register by calling the office on 9418 5868 or emailing me at admin@cpb.org.au. Don't forget we can sign off your VIP cards at this activity also!

Cheers, Cindy Civello

Our first BBQ Masterclass event of the year was held on 25th February and we had a great turn out. If you haven't been to one of these events yet, I highly recommend it.
The food was delicious!!

We are now busy organising the Club's annual Appreciation Night, being held next Friday 17th for our long serving members, volunteers and sponsors. On the admin side, the functions package has been redesigned, with the Wedding, Corporate and School Ball packages coming soon. Look out for them! We are already starting to take bookings for next year.
